More Information About the Resource Request Process:

The information gathered via the System is used to inform budget development and prioritization discussions. Only those resource requests submitted through the Annual Report will be considered for funding.

1. Resource Requests (Capital, Facilities Improvement³), (New Positions, Information Technology Service and Supply) submitted via departmental Annual Reports are first reviewed by the report's receiver (either the Dean/VP, or other administrator). The new Annual Report System includes the option for receivers to review and take action on resource requests directly within the system. Action regarding sta

5. As budget deliberations continue, the status of a resource request may change. Should there be additional flexibility within the budget process, requests may be reconsidered. Department heads are encouraged to check with their Dean, Vice President, or the Office of Finance if there is any question regarding the status of a budget decision or allocation.

Contact the Office of Finance and Administration for additional details regarding the budget process, receipt of budget requests, and status of requests or allocations.
